Dear Customer:

Important news! You're about to get the same great service you're accustomed to under a new name!

As our new letterhead indicates, we have recently changed the name of our business from Alba Bioscience Inc. to Hemo bioscience Inc.

You'll notice our name change on all of our mailings, packing slips, invoices, and promotional material. It's still the same great company, just with a new name.

Our mailing address, telephone numbers, facsimile number and tax id number will remain unchanged. However we have a new website and new email addresses.

Accounts Receivable: w.bender@hemobioscience.com

General mailbox: info@hemobioscience.com

Web site: www.hemobioscience.com

There has been no change in management or products and we will continue to provide the same quality products and service on which we have built our reputation in the industry.

We would appreciate it if you would amend your records appropriately and bring this announcement to the attention of your accounts payable department and direct them to make checks payable to Hemo bioscience Inc. accordingly.

Thank you for being one of our valued customers. We appreciate your cooperation in this matter. **Should you have any queries concerning our name change, please feel free to contact us.**

Sincerely,

A handwritten signature in dark ink, appearing to read 'N. R. Brown'.
